Village clerk Sherry Weinkauf stated she put the RFC together based on the approval from the Plan Commission. However, when they originally applied for the Class B Beer License they applied under IMP BP. They have since created an “S Corp” and will need to fill out a new application. Weinkauf stated this could be done when the Village’s renewal process comes up. Schuster brought up the gambling machines and wanted to make sure none were going to be installed. Keith Rybacki assured the committee there would not be any gambling machines.

7. Recommendation to the Board of Trustees to deny a crosswalk on Jelinek Ave by the D.C. Everest High School.

White stated mid-block crossings are dangerous and Chief Sparks agreed that from a pure safety standpoint that mid-block crossings are dangerous and recommends denial. The only other one in the Village is on Ross Avenue by Greenheck Fan, to allow employees to cross. Sparks and White both stated anyone wanting to cross Jelinek can go to Alderson and cross at the 4-way stop with the proper markings. It was also mentioned that Superintendent Gilmore was not aware of this request and that it would need to go through the proper channels before going to the Village.

Motion by White, second by Fiene, to recommend denial of a mid-block crosswalk on Jelinek Ave. to the Board of Trustees.

E. REPORTS FROM STAFF

8. Everest Metro Police Department

Sparks stated he attended Officer Leah Long’s award ceremony where the Women’s Community selected her as the recipient of the 2016 Outstanding Achievement for supporting Survivors of Sexual Assault Award. Schuster would like her to know the CLPS Committee sends their congratulations. Sparks touched on the Antigo Prom shooting and how all the officers did an outstanding job. Sparks also touched on an unfunded mandate where they are required to report all opiate related drug overdoses along with any thefts of opiate related drugs.

9. South Area Fire & Emergency Response District

Per White SAFER is still working on their Charter.

10. Taxpayer Relations Coordinator

Hodell stated with the warmer weather and residents out walking more, there have been complaints regarding property maintenance, garbage, debris, and parking on the lawns. Hodell also talked about the Village Wide Rummage sale May 6-7 where there is so far over 150 homes. There will then be the Village’s Bulk Item drop off at Advanced Disposal May 12-14.

The Farmer’s Market is scheduled to open on Saturday, May 7th at 8:00 am. Then beginning the week of May 2nd the Street Department will begin picking up leaves and brush starting in the neighborhoods by the D.C. Everest Jr. High. Schuster questioned if the Spring pickup is more of a problem due to rocks being in the ditches or on the shoulders that cause problems with the Vac Truck. Guild stated what he noticed more was the wetness of the leaves which tends to make pick up a little harder.

F. REPORT FROM ADMINISTRATOR

Guild stated that the Village has completed the Sole of the Community Survey which measures resident attachment. Results will be released by UW-Oshkosh next week. He also stated there are also multiple Committee positions open, which are all online and residents can apply for them or contact Shawn or Brad in the Parks Department. Guild then talked about doing an audit expenses, man hours, and insurance costs having to do with all of the vandalism primarily in the parks. He would also like to put together a committee to brain storm how to identify who the vandals are and/or how to prevent the vandalism. With the warmer weather and baseball season approaching more and more people are at the parks and are seeing all of the graffiti. Guild explained that all park staff is working on getting everything cleaned up.

Fiene questioned the security cameras in which Guild stated he was disappointed with the original system and have replaced it with what the school system has which would give them access without actually being there. Sparks noted that even though they have immediate access they only have 3 officers on at a time (and with having over 1,000 calls in March it is hard to monitor the camera. Guild also stated that some communities have a “wall” where people can do their graffiti and it all be in one location and if there was bad stuff, staff would clean it up.

Guild then mentioned that the Village is looking at bringing back the Neighborhood meetings this summer.

G. COMMUNICAITONS AND RECOMMEDATIONS FROM COMMITTEE MEMEBSRS.

Fiene re-explained the reason he voted "NO" on the IMR BP's Beer License was because they hadn't changed their name on the application to their S Corp company.

H. Set next regular meeting date for Monday, May 23, 2016, at 6:30 P.M.
