

**2009 Sewer and Water Service Survey in Yellow Banks Neighborhood: Northwestern
Streets Include: Northwestern Ave., Cecil St., Bruce Dr., Meuret Ln., Hampton Ave., Joan Dr.
Information Last Updated: 8.20.09**

Question 1: Do you want the Village to install sanitary sewer and water facilities to serve your property?

	Number	Percentage	Num. of Parcels Represented	Percentage
Surveys Mailed:	55		63	
Surveys Received:	41	75%	50	79%
Yes	8	20%	8	16%
No	28	68%	28	56%
Other	5	12%	14	28%

Question 1a: What should the timetable for construction be?

	Number	Percentage	Num. of Parcels Represented	Percentage
As soon as possible	4	10%	4	8%
Within 5 years	4	10%	4	8%
5-10 years	1	2%	1	2%
10-15 years	4	10%	4	8%
Never	19	46%	19	38%
Other	9	22%	18	36%

Question 2: Common practice has been for both water and sanitary sewer service to be extended at the same time as a practical matter. Would you feel differently if you could receive municipal water service or sanitary sewer service rather than both?

	Number	Percentage	Num. of Parcels Represented	Percentage
Yes (answer question 2a)	7	17%	7	14%
No	24	59%	24	48%
Both	4	10%	4	8%
Other	6	15%	15	30%

Question 2a: If you answered yes to question 2, which service would you prefer to receive?

	Number	Percentage	Num. of Parcels Represented	Percentage
Water	6	15%	6	12%
Sanitary Sewer	1	2%	1	2%
Other	34	83%	43	86%

Question 3: Would you be willing to allow your private well to be sampled by a representative of the Village and analyzed for the presence of nitrates, coliform bacteria, and iron in an effort to survey the water equality in your neighborhood?

	Number	Percentage	Num. of Parcels Represented	Percentage
Yes	13	32%	13	26%
Yes, but only if cost is shared	6	15%	6	12%
No	17	41%	17	34%
Other	5	12%	14	28%

41 total surveys received representing 63 total parcels

**Other- includes a non-standard answer or not marked at all.
