(A) In addition to property taxes for the municipality, the Village collects and remits taxes for the state and county governments, as well as for the local school and technical college districts. Taxes are levied in December of each year based upon the assessed value as of January 1st of that year. Real estate taxes can be paid in two installments due January 31st and July 31st. Personal property taxes are due by January 31st. Tax settlements to the other taxing authorities are made in January, for taxes collected as of December 31st, and in February, for taxes collected as of January 31st. All unpaid real estate taxes as of January 31st are turned over to the County Treasurer for collection. All personal property taxes are retained for collection by the Village. The final settlement for real estate taxes is made by the county to each of the other taxing authorities for the balance of their tax levies.

(B) Includes special assessments placed on the tax roll.
