Community: Village of Weston,
Marathon County, Wisconsin
Community No.: 550323

Dear Mr. Schuster:

On November 17, 2008, the Department of Homeland Security's Federal Emergency Management Agency (FEMA) provided your community with preliminary copies of the Flood Insurance Study (FIS) report and Digital Flood Insurance Rate Map (DFIRM). On February 19, 2009, an Open House Meeting was held to present the DFIRM and FIS report to your community. Public notification of modifications to Base Flood Elevations (BFEs) for the Village of Weston, Marathon County, Wisconsin will be published in the *Wausau Daily Herald* on May 20, 2009, and May 27, 2009. For a detailed listing of the proposed modifications in BFEs please visit https://www.floodmaps.fema.gov/fhm/Scripts/bfe_main.asp or call the FEMA Map Assistance Center toll free at 1-877-FEMA Map. In addition, a Notice of Proposed Flood Elevation Determinations published in the *Federal Register*, on December 9, 2008 at Part 67, Volume 73, Page 74673 is enclosed for your information. A correction notice published in the *Federal Register*, on January 5, 2009 at Part 67, Volume 74, Pages 244 and 245 is also enclosed for your information.

Your community will have a period of approximately 90 days to review the DFIRM and FIS report to identify and request potential changes or corrections to non-technical information. This may include features such as corporate limits, road names (within or adjacent to the Special Flood Hazard Areas), bridges, and stream labels presented on the DFIRM or in the FIS report. The comment period for your community will begin on May 27, 2009 and will end on August 25, 2009. To be considered for review all comments must be submitted by August 25, 2009.

All comments should be compiled and verified by the community and sent to CDM, Attention:

Troy Thielen
125 South Wacker Drive, Suite 600,
Chicago, Illinois 60606

After the comment period has ended and FEMA has addressed all comments received on the Preliminary copies of the FIS report and DFIRMs, the Letter of Final Determination (LFD) will be mailed to your community along with the final Summary of Map actions. The LFD will set the effective date of the FIS Report and DFIRMs six months from the date of the letter. During these six months the community must update or adopt new ordinances that meet the requirements in the CFR at 60.3. FEMA will send you printed copies of the finalized FIS report and DFIRMs two months prior to the Effective date of the maps.

Your community's comments on the Preliminary DFIRM panels and FIS report are an important part of our review process and we will consider them carefully before we publish the DFIRM and FIS report in their final form. If you have any questions regarding the FIS report or DFIRM for your community, please contact Julia McCarthy, Consultation Coordination Officer designated for your community at 312-408-5518.

Sincerely,

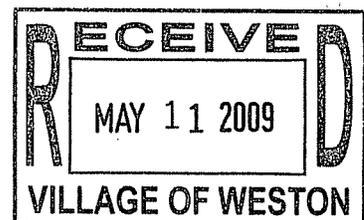

Norbert F. Schwartz
Director
Mitigation Division

Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Proposed rule; correction.

SUMMARY: On December 9, 2008, FEMA published in the *Federal Register* a Proposed rule that contained an erroneous table. This notice provides corrections to that table, to be used in lieu of the information published at 73 FR 74673. The table provided here represents the flooding source, location

of referenced elevation, effective and modified elevation, and communities affected for the City of Mosinee, City of Schofield, City of Wausau, Village of Kronenwetter, Village of Rothschild and the Unincorporated Areas of Marathon County, Wisconsin. Specifically, it addresses flooding sources Bull Junior Creek, Eau Claire River and Wisconsin River.

FOR FURTHER INFORMATION CONTACT: William R. Blanton, Jr., Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646-3151 or (e-mail) bill.blanton@dhs.gov.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) publishes Proposed determinations of Base (1% annual-chance) Flood Elevations (BFEs) and modified BFEs for communities participating in the National Flood Insurance Program (NFIP), in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

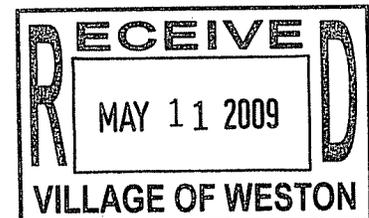

These Proposed BFEs and modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more

stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These Proposed elevations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after these elevations are made final, and for the contents in these buildings.

Correction

In the Proposed rule published at 73 FR 74673, in the December 9, 2008 issue of the *Federal Register*, FEMA published a table under the authority of 44 CFR 67.4. The table, entitled "Marathon County, Wyoming and Incorporated Areas" addressed flooding sources Bull Junior Creek, Eau Claire River and Wisconsin River. That table contained inaccurate information as to the location of referenced elevation, effective and modified elevation in feet, or communities affected for these flooding sources. In this notice, FEMA is publishing a table containing the accurate information, to address these prior errors. The information provided below should be used in lieu of that previously published.

Flooding sources	Location of referenced elevation	* Elevation in feet (NGVD) + Elevation in feet (NAVD) # Depth in feet above ground		Communities affected
		Effective	Modified	
Marathon County, Wisconsin, and Incorporated Areas				
Bull Junior Creek	At the mouth of the Wisconsin River	+1150	+1147	City of Mosinee.
	Approximately 450 feet downstream of Old U.S. Highway 51.	+1150	+1149	
Eau Claire River	At Brooks and Ross Dam	+1167	+1168	City of Schofield, City of Wausau.
	Approximately 1.1 miles upstream of Brooks and Ross Dam.	+1171	+1169	
Wisconsin River	Just upstream of the Dam in the City of Mosinee	+1150	+1147	Unincorporated Areas of Marathon County, City of Mosinee, Village of Kronenwetter, Village of Rothschild.
	Just downstream of Rothschild Dam	+1160	+1159

Appendix to Subpart K of Part 416— [Amended]

3. Amend the appendix to subpart K of part 416 by adding new paragraphs (m), (n), and (o) under Part V as follows:

Appendix to Subpart K of Part 416— List of Types of Income Excluded Under the SSI Program as Provided by Federal Laws Other Than the Social Security Act

V. Other

(m) Payments of the refundable child tax credit made under section 24 of the Internal Revenue Code of 1986, pursuant to section 203 of the Economic Growth and Tax Relief Reconciliation Act of 2001, Public Law 107-16 (115 Stat. 49, 26 U.S.C. 24 note).

(n) Assistance provided for flood mitigation activities as provided under section 1324 of the National Flood Insurance Act of 1968, pursuant to section 1 of Public Law 109-64 (119 Stat. 1997, 42 U.S.C. 4031).

(o) Payments made to individuals under the Energy Employees Occupational Illness Compensation Program Act of 2000, pursuant to section 1 [Div. C, Title XXXVI, section 3646] of Public Law 106-398 (114 Stat. 1654A-510, 42 U.S.C. 7385e).

Subpart L—[Amended]

4. The authority citation for subpart L of part 416 continues to read as follows:

Authority: Secs. 702(a)(5), 1602, 1611, 1612, 1613, 1614(f), 1621, 1631, and 1633 of the Social Security Act (42 U.S.C. 902(a)(5), 1381a, 1382, 1382a, 1382b, 1382c(f), 1382j, 1383, and 1383b); sec. 211, Pub. L. 93-66, 87 Stat. 154 (42 U.S.C. 1382 note).

5. Amend § 416.1210 by adding a comma in the introductory sentence after "(and spouse, if any)", removing "and" from the end of paragraph (t), replacing the period at the end of paragraph (u) with a semicolon followed by "and", and adding a new paragraph (v) as follows:

§ 416.1210 Exclusions from resources; general.

(v) Payment of a refundable child tax credit, as provided in § 416.1235.

6. Amend § 416.1212 by:

- A. Redesignating current paragraphs (d) through (g) as (e) through (h);
B. Adding a new paragraph (d) to read as set forth below;

C. Amending newly designated paragraph (e)(2)(ii), by removing the reference "paragraph (e)" and adding the reference "paragraph (f)" in its place;

D. Amending newly designated paragraph (e)(2)(iii), by removing the reference "paragraph (f)" and adding the reference "paragraph (g)" in its place; and

E. Amending newly designated paragraph (f), by removing the reference "paragraph (d)(2)(ii) of this section" and adding the reference, "paragraph (e)(2)(iii) of this section" in its place, and by removing the reference "paragraph (f)" and adding the reference "paragraph (g)" in its place.

§ 416.1212 Exclusion of the home.

(d) If an individual leaves the principal place of residence due to domestic abuse. If an individual moves out of his or her home without the intent to return, but is fleeing the home as a victim of domestic abuse, we will not count the home as a resource in determining the individual's eligibility to receive, or continue to receive, SSI payments. In that situation, we will consider the home to be the individual's principal place of residence until such time as the individual establishes a new principal place of residence or otherwise takes action rendering the home no longer excludable.

7. Revise § 416.1235 to read as follows:

§ 416.1235 Exclusion of certain payments related to tax credits.

(a) In determining the resources of an individual (and spouse, if any), we exclude for the 9 months following the month of receipt the following funds received on or after March 2, 2004, the unspent portion of:

(1) Any payment of a refundable credit pursuant to section 32 of the Internal Revenue Code (relating to the earned income tax credit);

(2) Any payment from an employer under section 3507 of the Internal Revenue Code (relating to advance payment of the earned income tax credit); or

(3) Any payment of a refundable credit pursuant to section 24 of the Internal Revenue Code (relating to the child tax credit).

(b) Any unspent funds described in paragraph (a) that are retained until the first moment of the tenth month following their receipt are subject to resource counting at that time.

(c) Exception: For any payments described in paragraph (a) received before March 2, 2004, we will exclude for the month following the month of receipt the unspent portion of any such payment.

8. Amend § 416.1236 by revising paragraph (a) (24) and adding new paragraph (a) (25) to read as follows:

§ 416.1236 Exclusions from resources; provided by other statutes.

(24) Assistance provided for flood mitigation activities under section 1324 of the National Flood Insurance Act of 1968, pursuant to section 1 of Public Law 109-64 (119 Stat. 1997, 42 U.S.C. 4031).

(25) Payments made to individuals under the Energy Employees Occupational Illness Compensation Program Act of 2000, pursuant to section 1 [Div. C, Title XXXVI, section 3646] of Public Law 106-398 (114 Stat. 1654A-510, 42 U.S.C. 7385e).

9. Amend § 416.1240 by revising paragraph (a) to read as follows:

§ 416.1240 Disposition of resources.

(a) Where the resources of an individual (and spouse, if any) are determined to exceed the limitations prescribed in § 416.1205, such individual (and spouse, if any) shall not be eligible for payment except under the conditions provided in this section. Payment will be made to an individual (and spouse, if any) if the individual agrees in writing to:

(1) Dispose of, at current market value, the nonliquid resources (as defined in § 416.1201(c)) in excess of the limitations prescribed in § 416.1205 within the time period specified in § 416.1242; and

(2) Repay any overpayments (as defined in § 416.1244) with the proceeds of such disposition.

Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency (FEMA, Department of Homeland Security)

SUMMARY: Technical information or comments are solicited on the proposed and proposed modified Base (1-percent-annual-chance) Flood Elevations (BFEs) shown on the Preliminary revised Flood Insurance Study (FIS) report and Flood Insurance Rate Map (FIRM) for your community. Comments on any aspect of the FIS and FIRM, other than the proposed BFEs, will also be considered. These BFEs and modified BFEs are the basis for the floodplain management measures that your community is required to either adopt or show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition these BFEs, once finalized, will be used by insurance agents, and others to calculate the appropriate flood insurance premium rates for new buildings and the contents in these buildings.

DATES & SUBMISSION: The appeal period begins following the second publication of the Notice of this proposed BFE determination in a newspaper of local circulation in your community and ends 90 days thereafter. All comments and/or appeals must be submitted no later than 90 days after the second publication of the Notice in the local newspaper to:

City of Mosinee: The Honorable Alan Erickson, Mayor, City of Mosinee, City Hall, 225 Main Street, Mosinee, WI 54455

City of Schofield: The Honorable Alan Bremer, Mayor, City of Schofield, City Hall, 200 Park Street, Schofield, WI 54476

City of Wausau: The Honorable Jim Tipple, Mayor, City of Wausau, City Hall, 407 Grant Street, Wausau, WI 54403

Lessees and owners of real property are encouraged to review the FIS report, FIRM, and related materials.

FOR ADDITIONAL INFORMATION CONTACT: William R. Blanton, Jr., CFM, Chief Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, Department of Homeland Security, 500 C Street SW, Washington, DC 20472. Telephone number (202) 646-3151.

SUPPLEMENTARY INFORMATION: FEMA gives notice of the proposed determinations of BFEs and modified BFEs in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These BFEs, with the floodplain management measures required by 44 CFR 60.3, are the minimum measures that are required. It should not be construed to mean your community must change any existing ordinances that are more stringent in its floodplain management requirements. Your community may, at any time, enact stricter requirements on its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed and proposed modified BFEs are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the BFEs are finalized, and for the contents in those buildings.

Pursuant to the provisions of 5 U.S.C. 605(b), the Director for Mitigation, to whom authority has been delegated by the Director of FEMA, hereby certifies that the proposed BFE determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A BFE determination under Section 1363 forms the basis for new local ordinances, which, if adopted by a community, will govern future construction within the floodplain area. By themselves, the BFE determinations impose no restriction unless and until the community voluntarily adopts floodplain ordinances in accord with these BFEs. Even if ordinances are adopted in compliance with Federal standards, the BFEs only prescribe building height in the floodplain and do not prohibit development. Thus, this action only forms the basis for future local actions. It imposes no new requirement; by itself, it has no economic impact.

Appellants must itemize each issue as an appeal or a comment. Appellants must identify themselves as the owner or lessee of property within the community, indicate how they heard about the proposed map change; describe how they believe their property rights have been adversely impacted within areas where new BFEs are proposed, and specify how the requirements of 44 CFR

67.6 have been met. Appellants should provide all other information they believe is helpful to the process that does not meet the conditions of being a formal appeal. Such information is considered a comment. Comments that are submitted within the appeal period that object to information on the FIRM or in the FIS report are called Protests. The issues raised (appeals and, comments) will be reviewed in aggregate and not addressed individually. Information must be sent directly to the community CEO. Any information submitted directly to FEMA without evidence that it was sent to the CEO within 90 days of the second publication in the local newspaper will be considered a comment.

During the formal appeal period, a community official or individual property owner may want to object to information shown on the FIRM, FBFM or FIS report. If the objection does not involve the proposed BFEs, it does not, in accordance with 44 CFR 67 constitute an appeal. Such objections are called protests, and protests should be sent directly to the community CEO and not to FEMA.

Individuals providing information and comments who have been determined by FEMA to meet the criteria of "appellant" as articulated in 44 CFR 67.5 will be sent a copy of the CEO letter, which name them as appellants. This letter will be issued within 180 days of the second publication in the local newspaper. Individuals who only provide comments and protests will not be notified. However, the information they submit will be considered in finalizing the BFEs. The resolution of the appeal will be sent to the CEO and a copy sent to the appellants.

PROPOSED AND MODIFIED BASE FLOOD ELEVATIONS

The new elevations being proposed are given in the table below for the upstream and downstream limits of the flooding sources.
